**WINEMAKER'S TASTING NOTES:** An intriguing blend of Pinot Noir harvested from four of our favorite vineyards across four different counties. Rich, layered flavors are balanced by sophisticated structural components. The highlight is a magical combination of lifted aromatics and a round, supple mouthfeel that's laden with cherry fruit and forest floor, and balanced by savory, lavender-scented tannins. Beautiful, integrated acidity makes for perfect balance and keeps you coming back sip after sip. Normally our Pinot takes a bit of time to come around, but this vintage is tasting beautifully straight out of the gate.

**OVERALL IMPRESSION:** Oh, sweet Jesus. This is the sexy, sun-kissed farmer's daughter. A corn-fed beauty with all the right things in all the right places. She's strikingly beautiful but completely down to earth, with equal parts toned muscle and luscious curves.
