Vintage Summary: The 2014 growing season started with an early bud break due to an early spring. As in the previous year, ideal conditions during bloom allowed for an almost perfect set. The temperate conditions continued through veraison in July and August. The August earthquake did not affect the vines or the start of harvest, which began early with ideal moderate temperatures.

The 2014 vintage had very uniform clusters and balanced to light canopies compared to those of 2013 and 2012. The wonderful set gave a more “normal” yield for the early varieties, but the lack of soil moisture affected the canopies of the later varieties such that our yields were lower than planned. Berry and cluster sizes were also small. Due to the early start, we were able to pick out before the late October rains.

Winemaker's Tasting Notes: A provocative nose highlighting black currant, loganberry, strawberry, beets, iris, and cocoa. A wild blackberry attack leads to a structured mouth of blueberry, plum, raspberry, cranberry, and black tea leaf. Finely structured tannins melt into a long, refreshing bing cherry finish.
