Winemaker's Tasting Notes:	On-par with great Sancerre, the honeysuckle, minerals and citrus make you feel sophisticated, while the creamsicle core makes you feel pretty and young. The finish is lingering, complex and clean. Clone 317 is naturally low-yielding and is defined by floral aromatics and a ripe, round, soft citrus core (totally different from the American SB clones that can tend toward cat pee and grass).
Cellaring:	1 – 3 years
Production:	175 cases
Price:	\$40 / 750ml
