Winemaker's Tasting Notes:	If you haven't yet been indoctrinated in the world of pink wines, consider this your master's course. Made from selected lots and fermented in 100% new French oak for five months, it drinks like a fine champagne (sans bubbles). It's a heady and luminous drink filled with ripe red berries, rose petals and minerals. It's both light and round, and completely satisfying in every sense all the way through to its super long finish. 100% Syrah.
